**Graduate Incentives:** Students enrolled as full-time students in a Level 3 or 4 academic program may receive an incentive once at either level from the recipient, subject to a maximum of \$1,500. This incentive will only be provided once. Students will be eligible for this incentive upon commencement of the second year of the academic program, or upon successful completion of the degree.

The NTC Post-Secondary program reserves the right to modify Living Allowance rates based on custodial orders and other program related court decisions.

**Note:** Students are required to provide a copy of their spouse’s (if applicable) and their own recent Canada Revenue Agency Notice of Tax Assessment and other documents that demonstrates proof of income.
