A student may apply for the NTC Post-Secondary Funding program if they are from one of the following Nuu-chah-nulth Nations:

Post-Secondary Funding Services

The NTC Post-Secondary Program provides funding sponsorships to students who wish to pursue a post-secondary education. Full or partial funding may be provided to the student to support the cost of tuition, living expenses, required textbooks and supplies, travel, tutoring and other school-related expenses (in accordance with ISC policy guidelines and the NTC Post-Secondary Funding Policy).

Students who wish to receive supports from the NTC are required to submit an NTC Post-Secondary Funding Application to the NTC Post-Secondary Funding Program each year for the duration of their studies. The NTC encourages members who are considering post-secondary studies to contact the NTC Post-Secondary Program staff for support.

Applications received by the NTC Post-secondary Funding program are reviewed according to a priority list. Complete applications increase the chances of being successfully accepted into the Post-Secondary Funding Program and incomplete applications may result in not qualifying for funding. Please refer to the application attached and the checklist below to complete your application for funding.

Incomplete applications will result in the delay of your application being considered for funding and may disqualify you for the NTC Post-Secondary Funding Program!
