Heather Hurst Counselling
Heather Hurst, MA, RCC

Email: heatherhurstcounselling@gmail.com

Phone: (250) 668-9945

Location: Nanaimo

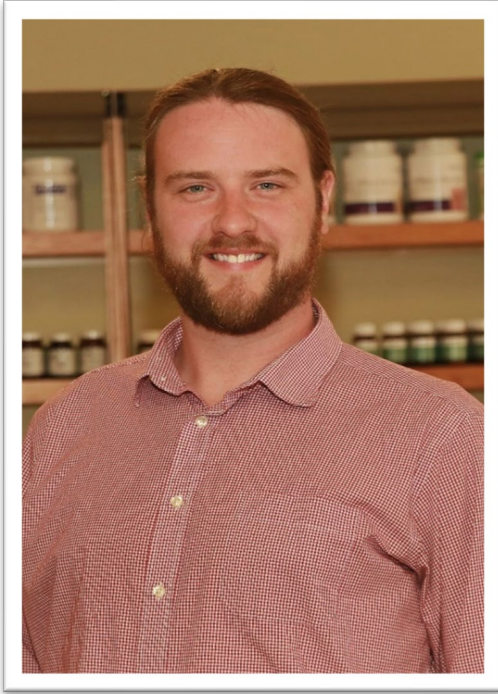

Heather Hurst is an Indigenous Registered Clinical Counsellor (RCC) who offers culturally safe, trauma-informed support grounded in traditional healing practices. She works with individuals, couples, and families on issues such as trauma, grief and loss, anxiety, depression, cultural identity, and wellness. Heather brings compassionate care to residential school and Sixties Scoop survivors, MMIWG families, and those seeking reconnection with culture and community. Her approach blends Indigenous knowledge, land-based practices, and holistic counselling to support healing of the mind, body, spirit, and heart.

Treatment Modalities: Somatic therapy, Narrative therapy (Storytelling), Solution-focused therapy, Strength-based therapy, Mindfulness therapy, Land-based therapy, Hands-on energy healing.

Client Age Ranges: Ages 5 and up

Telehealth: Available

Availability: No waitlist

James Cowan, Registered Clinical Counsellor

Dr. Shelley Iberg M.A., RCC, is a Registered Clinical Counsellor since 2004, with a 35-year career in mental health and wellness. She completed her Ph.D. in Spirituality in 2020. She has a lifelong passion in spirit and nature. She loves working with people and honouring their spirit. She lives on Vancouver Island with her husband and dog Brodie and cat Lexi. She grew up on a dairy farm on Langley. She has a private practice in her home and works with Island Health. She has a background in Recreation Therapy. She believes in people's strengths and passions. She understands how hard it is to do personal work and honours the courage it takes to move in a new direction. She will walk alongside people in their growth journey.
