Responsibilities Include

- ◆ Provide comprehensive health care to children and families living or visiting Port Alberni with an emphasis on healthy living, illness prevention, health education, chronic disease management, and clinical intervention.
- ◆ Demonstrate understanding of health promotion, epidemiology, disease/injury, population health, community development, and determinants of health.
- ◆ Conduct immunization clinics, prenatal and post-natal drop-in, breast-feeding support, postpartum depression screening, sexual wellness education, group and one on one sessions.
- ◆ Provide health education for women, partners and family members using a coordinated collaborative and interdisciplinary approach.
- ◆ Establish and maintain community partnerships to help address health issues, reduce the incidence of disease and to enhance the health of individuals, family groups and the general population.

Preferred Qualifications

- ◆ Current RN license with the BC College of Nurses and Midwives (BCCNM).
- ◆ Experience working with First Nations will be considered an asset.
- ◆ Familiarity with Panorama, Mustimuhw cEMR, or other related electronic medical record charting system will be considered an asset.
- ◆ Successful completion of the BCCDC online immunization course and exam and experience immunizing.
- ◆ Certificate, course(s) and/or relevant work experience supporting chest feeding parents.
- ◆ Must have a valid BC Driver's licence, access to a reliable vehicle, and able to travel within the region.
- ◆ Provide acceptable work references and RCMP criminal record check.

What We Offer:

- Competitive salary based on qualifications and experience- **\$84,000 - \$99,500.**
- Comprehensive benefits including health/dental coverage, pension and professional development.
- A supportive and culturally rich work environment with opportunities for growth.

Open until filled.
