## Important Message – NTC Operations Closure

The NTC Executive and NTC Human Resource Committee (HRC) acknowledge that the NTC needs to take immediate steps to uphold the health and safety of employees, clients and visitors during the COVID-19 crisis. We recognize that collectively we need to be responsible and do our part to prevent the spread of this virus during these difficult and challenging times.

As a result, effective March 23, 2020, there will be a 2-week operational closure of all NTC offices. We have arranged with program managers to ensure continuity of essential services during the closure.

NTC Executive and Human Resource Committee will continue to monitor the Covid-19 situation to assess the ongoing impact to NTC operations.

We hope that you understand the need for these measures, as they are made in the interests of everyone's good health and well-being.

We hope that you all stay healthy, take the necessary precautions and be safe.

Thank you.

NTC Executive
